GARSTANG & BOWLAND BANQUET 23RD OCTOBER–1ST NOVEMBER 2009

Programme Of Events

A Celebration of
Garstang & Bowland
Food and Drink

Support Local Produce

We are proud to bring you the third Garstang and Bowland Banquet.

By buying local produce you not only enjoy the very best, but also make an essential contribution to the sustainability of the countryside, the rural economy, environment and our market town.

A 'banquet' is a large feast so make the most of the great events and food deals on offer. See how your meat gets from pasture to plate! Go and sample a wide variety of foods at eating establishments across the area, serving quality local produce—fresh to you. every day of the festival.

We want people to visit local producers, taste local produce and buy local products at its best, what better way is there than to visit the establishments themselves?

The majority of the events will take place all over Garstang and the Hinterland so that you can get the best 'local' experience. See for yourself how the food gets from farm to fork!

Don't forget to look on the website for further information, or call Garstang Tourist Information on 01995 602125.
