

Rotary Summer week of Fun and Information

Between June 12th and June 18th this year the Rotary Club of Garstang and Over Wyre is holding a "Thanks for Life Week" to promote the activities Rotary in the wider Garstang area. There will be a mini exhibition in Booth's to demonstrate our activities plus the objective of attracting new members to the organisation..

On Sunday June 12th June the week will start with our annual sponsored Classic Car Rally which starts at 9.00 am at the Crofters Hotel on the A6 Cabus returning at around 4.00pm. At the start and finish of the Rally the public will be able to see a wide range of Classic Cars including many examples from the Ford Y & C Model Register Owner's Club. The Lancaster Rotary Club is handling the lunch time venue for the drivers which is at the Morecambe's new football stadium, the Globe Arena.

On Thursday June 16th there will be performances by local school children in Cherestanc Square.

St Thomas's and Ss Mary & Michael's who will perform with their Clog Dancers Garstang High School plan to send along singers and instrumentalists all to perform in Cherestanc Square. With hopefully good weather and a good crowd of visitors to the Thursday market it will be a fun way to celebrate the Rotary.

On Saturday 18th June at 12.00 noon our week will end with our annual charity Duck Race on the River Wyre at the back of the Discovery Centre car park.

Any funds raised during the week will go to Rotary's own Charity "Foundation" (which is largely associated with the eradication of Polio) plus other local and international charities.
